Year 1												
	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Year 2												

Includes Buttercup, Foxglove, Cowslip and other Wild Flowers

SOWING/GROWING Sow in March to May or September to early October in a well prepared, moist seedbed cleared of perennial weeds. Do not use fertiliser. Sprinkle the seeds thinly over the surface, gently rake in and firm lightly with a roller and keep the soil moist. Some plants flower in the first year but most will begin to flower in the spring of the following year.

HEIGHT APPROX. 20-150cm (8-59") ANNUAL, BIENNIAL AND PERENNIAL

Suttons will donate 5p to the RSPB for every packet sold

REGISTERED CHARITY NO: 207076

Quality Control: This seed has been carefully tested to ensure high germination. Prior to use, store in a dry cool place.

Seed from cultivated stock
SUTTONS SEEDS
TORBAY, ENGLAND

The wildflower seeds in this packet are of native British origin.
