"Growing vegetables can be fun and very rewarding. Not only do you get that 'fresh from the garden taste', but also genuine health benefits, since freshly picked vegetables are the highest for vitamin content. Try my organically produced seed and get a taste for gardening"

- Organically produced seed
- Excellent flavour • High in vitamins A & C

Sow Plant out Harvest

sowing & growing

Sow thinly direct into a finely raked seedbed at a depth of 13mm (½"). Transplant with a trowel or a dibber when large enough to handle allowing 38cm (15") between plants each way. Water well during spells of dry weather. Try protecting with netting to prevent cabbage butterfly attacks.

quality control: This seed has been carefully tested to ensure high germination. Prior to use, store in a dry cool place.

Standard Seed.
